Authority on 18.6.2001 to discuss matters relating to Anti-dumping legislation. Among other things they expressed concern over the Anti-dumping cases initiated by India against China.

The Chinese Delegation was informed that the anti-dumping investigations in India are conducted under the national law as enshrined in the Customs Tariff Act, 1975 (as amended in 1995), which is in consonance with the provisions of WTO. These measures are country-neutral and the rules apply uniformly to China as also to any other country, irrespective of the fact whether that country is a member of WTO or not.

The meeting with Chinese Delegation was held in a cordial atmosphere and both the sides reiterated the need to encourage and increase the bilateral trade between the two countries.

**Export of onions from Karnataka**

3070. PROF. A. LAKSHMISAGAR:
SHRI H.K. JAVARE GOWDA:

Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether Government are aware that there is a very good scope for export of onions from Karnataka;

(b) whether it has come to the notice that due to restriction on export the farmers are in distress; and

(c) if so, what measures will be taken to export onions from Karnataka?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI DIGVIJAY SINGH): (a) Yes, Sir.

(b) and (c) There is no restriction on the export of Bangalore Rose onion produced in Karnataka. In respect of export of other varieties of onion which is under quantitative restrictions, a quantity of 30,000 M. Tons has been allotted for export to agencies in Karnataka so far during the current year 2001-02. In addition to Karnataka State Agricultural Produce Processing and Export Corporation Limited

which is the canalising agency for Bangalore Rose Onions, three other agencies, namely the Karnataka State Cooperative Marketing Federation Limited, the Spices Trading Corporation of India Limited and the North Karnataka Onion Growers Cooperative Society Limited have been designated as canalising agencies for export of other varieties of onion. The quantity of onion already released for export by these agencies has not been fully utilised.

**Excess procurement of tobacco in Karnataka**

3071. SHRI K. KALAVENKATA RAO: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether farmers of Karnataka produced 9 million kilo more tobacco than the allocation in 1999-2000 and 16 million kilo more in 2000-2001; and

(b) the action proposed to probe how the Tobacco Board instead of issuing notice to the concerned official, purchased the entire excess produce?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI DIGVIJAY SINGH): (a) and (b) The farmers of Karnataka produced 8.02 million kilograms of excess tobacco in the 1999-2000 season and 18.25 million kilograms in the 2000-01 season. Permission was granted by Government for the sale of the excess tobacco on the auction platforms of the Tobacco Board, subject to a penalty of 5% and an extra fee of Rs. 2 per kilogram. This decision was in tune with the general policy of permitting the sale of unauthorised tobacco subject to payment of penalties so as to check illegal transactions outside the auction platforms of the Tobacco Board. In addition, prosecution action is initiated against growers who have produced tobacco in excess of the authorised quantity and unregistered growers who have produced tobacco unauthorisedly.
